**Challenges**

# Dreamer to Permanent Resident

- Students should fill out the application that correlates to their current status on the “day of” completing the application – even if their Permanent Residency is pending
- Immediately upon receiving their Permanent Residency (and not before) the student should complete and submit a FAFSA
- Once completed, students should contact CSAC for assistance and to “convert” their Cal Grant award if required.

# Top Reasons Not Awarded

- Application saved or incomplete before March 2<sup>nd</sup> deadline
- Missing parent signature
- GPA not matched to CADAA
- Inaccurate income and/or asset information
- Selective Service not completed or school not able to verify (male students 18-25)
- Incomplete verification
- Student completes FAFSA erroneously
- Confusion at college level (financial aid vs. admissions) about Dream Act eligibility

*Making education beyond high school financially accessible to all Californians.*

# Verification

- CSAC randomly selects 20% of all completed CA Dream Act Applications for verification
- Use the Federal V1 - Standard Verification Group
  - Refer to FSA Handbook/Verification Guide
- Complete verification prior to disbursing funds

# General Information

- Once the CADAA is signed and successfully submitted, the application information will be sent to all colleges listed
- Because the CADAA is proprietary to CSAC, we can generally help students or schools quickly troubleshoot common issues
- Students must renew the CADAA each academic year
- If there are significant changes in income, or other major life changes, students should contact the Financial Aid Office of their college
